REMARKS

25X1

a. A Soviet train carrying the following materiel arrived in Bonn
GERMANY (D 64/7 52) on 13 July at about 10 a.m. to be unloaded:

Four self-propelled guns of about 120 mm caliber

Five armored vehicles on M 34 chassis with short-barreled guns
of about 100 mm caliber

Eleven M 34 tanks with long-barreled guns

Truck ammunition on a special RR car

25X1

b. Five to seven M 34 tanks were with each armored vehicle. A
Soviet Major was the train commander. He was accompanied by
an administrative officer and an AFD officer.

25X1 Comment:

25X1 the shipment may have
in the M 34 tank in the 1st Hq Div (for maintenance
1st Hq Div has also conducted maneuvers in the HUSCHINGEN
area in the summer of 1949)
